March 31, 2016

Dear Patron and Sponsor:

The bearer of this letter has permission of Masters City Golf Association (MCGA) to solicit sponsors, and patrons for the Two Day Annual Classic Golf Tournament. We need and appreciate your support.

The “Classic” is the principle fund-raising source for the Association, a non-profit organization. This year we will award four young adults from the CSRA with Educational Assistance. It is our goal to help them become productive members of society.

The weekend will be held on October 15th & 16th, 2016 and consist of a two-day golf tournament Saturday and Sunday held at Gordon Lakes Golf Course, Fort Gordon, GA. MCGA goals and objectives for the “Classic” are to provide support for Junior Golf, MCGA’s Educational Assistance Program, and other worthy causes.

We believe the support you give helps to enhance the quality of life and leisure for people everywhere, and expose disadvantaged youth, golfers, guests and spectators to the great game of golf.

This year we will have different levels of sponsorship including Green, and Tee Box Sponsors @ \$100.00 each. We will acknowledge your support to the golfers, guests, and spectators at the meet and greet on Friday night, on the golf course Saturday and Sunday, and at the banquet on Saturday night. Please continue to support us as you have in the past. Your prompt response will be appreciated. Thanks in advance for your support.
